

RICHARD H. MASLAND

Office Address: Howe Laboratory, 5th Floor
Massachusetts Eye and Ear Infirmary
423 Charles Street
Boston MA 02114
Phone: 617-391-5930
Fax: 617-391-5928
E-mail: Richard_Masland@hms.harvard.edu

Home Address: 44 Viles Street, Weston, MA 02493

EDUCATION

1964 A.B., Harvard University, Cambridge, MA
1968 Ph.D., McGill University, Montreal, PQ

POSTDOCTORAL TRAINING

1968-1971 Postdoctoral Fellow in Neurophysiology, Stanford Medical School (K. L. Chow)
1971-1973 NIH Special Fellow in Neurophysiology, Harvard Medical School (A. Ames, III)

ACADEMIC APPOINTMENTS

1971-1975 Associate in Physiology, Harvard Medical School
1975-1981 Assistant Professor of Physiology in Surgery, Harvard Medical School
1981-1989 Associate Professor of Physiology in Surgery, Harvard Medical School
1989-1990 Professor of Neuroscience in Surgery, Harvard Medical School
1990- Professor of Neuroscience and Professor of Ophthalmology, Harvard Medical School
1991- Charles A. Pappas Professor of Neuroscience, Harvard Medical School
1993-2006 Investigator, Howard Hughes Medical Institute
2009- David G. Cogan Professor of Ophthalmology and Professor of Neurobiology, Harvard Medical School
2009- Director, Howe Laboratory, Massachusetts Eye and Ear Infirmary

AWARDS AND HONORS

1964 Woodrow Wilson Fellow
1971 Junior Investigator of the King Trust
1975 NIH Research Career Development Award
1983 Hoopes Prize, Harvard University (Excellence in Teaching)

1987	National Eye Institute MERIT award
1993	RPB Senior Scientific Investigator Award
1999	Fellow, American Association for the Advancement of Science
2000	Irving M. London Award (Excellence in Teaching)
2002	Brian Boycott Prize (Research on the Retina)
2010	Fellow, Association for Research in Vision and Ophthalmology
2010	Proctor Medal, ARVO

NATIONAL COMMITTEE ASSIGNMENTS

1977-1981	Member, NIH Visual Disorders B Study Section,
1979-1982	Reviewer, Sensory Processes Program (N.S.F.)
1985-1989	Member (Chairman, 1988-1989) NIH Cellular and Molecular Basis of Disease Study Section
1990-1992	Program Committee, Association for Research in Vision and Ophthalmology
1992-1994	National Advisory Council, NEI, National Institutes of Health
1994	Chairman, FASEB Summer Conference on Vision

EDITORIAL BOARDS

1983-1985	Editorial Board, <i>Molecular Physiology</i> ,
1985-1991	Associate Editor, <i>Journal of Neuroscience</i>
1992-1997	Editorial Board, <i>Investigative Ophthalmology and Visual Science</i>
1999-2006	Editorial Board, <i>Journal of Neurophysiology</i>
1999-	Faculty of 1000

PROFESSIONAL SOCIETIES

1967-	American Association for the Advancement of Science
1972-	American Physiological Society
1973-	Association for Research in Vision and Ophthalmology
1973-	Society for Neuroscience
1992-	American Society for Cell Biology

TEACHING EXPERIENCE

1976-1981	Instructor, Physiology 700 (Mammalian Physiology), Harvard Medical School
1982-1991	Course Director, Physiology 707 (Physiology of the Retina), Harvard Medical School

1988-1990	Instructor, Neurobiology 707 (Nervous System and Behavior), Harvard Medical School
1989-1991	Course Director, Biology 99 (undergraduate honors seminar) Harvard College
1989	Resident Instructor, Friday Harbor Retina Course, University of Washington
1991-1993	Co-founder, Neurobiology 200 (Introduction to Neurobiology), Harvard Medical School
1992-2008	Resident Instructor, Fundamental Issues in Vision Research, Marine Biological Laboratories, Woods Hole
1994-2002	Course Director, Neurobiology 200 (Introduction to Neurobiology), Harvard Medical School
2001-2004	Lecturer, Structure, Function and Development of the Visual System, Cold Spring Harbor Laboratories
2006 -	Course Director, Neurobiology 200 (Introduction to Neurobiology), Harvard Medical School
